*Well, too late - You are out! Executed by Marco and Jake at Mississauga Tournament*

*Kobi's successful steal*

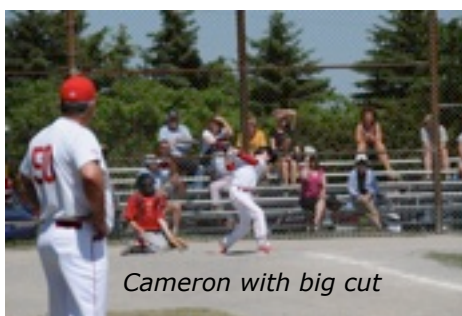

*Chris delivering strike at Mississauga Majors Tournament*

Our first home game at IRC Diamonds vs Aurora Jays was a great test of our offense and defense. We won 3-1. Great pitching by Chris (delivered 86 pitches) and closing by Ryerson. Batting line-up has delivered against a very strong defense of Aurora Jays. Our catchers Tim and Kobi were keeping a good eye on Aurora runners, not allowing many steals. Infield hold up most of the pop-ups and were quickly getting batters out on first.

Bradley and his hit brought 2 runners in and that was the victory play. Outfielders Jackson, Oliver, Cameron did cover a lot of grass with a great success, not leaving much room for Aurora batters.

It was a great start at home field and one of many games still to be played. Great support from parents and IMBA members. Check our page on IMBA web site about the details of this new program offered by IMBA for their members.

*Cameron with big cut*

*Oliver ready to deliver a hit*

*Great hassle by Jakson to first*
